## FINE WINES BY THE GLASS

Coravin is unique in that it enables us to serve you some incredible wines by the glass without pulling the cork. By doing so, the natural ageing process is not disturbed and leaves the wine protected from oxygen, and therefore in perfect condition.

*In a place which focusses on aged meat, we felt it was only right to put together a parcel of wines which have themselves been laid down for a very long time. Special wines for special moments.*

## WHITE WINE

### AROMATIC & FRUIT-FORWARD

Undeniably attractive on the nose, these fragrant whites are fruit focussed and more extrovert than their crisp dry cousins. From Sauvignon to the luscious whites of the Mediterranean there is real diversity here. Loves to be matched with dishes that mirror the aromatic herbs and spices.
