CORAVIN SELECTION

TOP RECOMMENDATIONS FROM OUR HEAD SOMMELIER FOR THE SEASON AHEAD

Coravin is unique in that it enables us to serve you some incredible wines by the glass without pulling the cork. By doing so, the natural ageing process is not disturbed and leaves the wine protected from oxygen, and therefore in perfect condition.

WINES OF THE MOMENT

A SHORTLIST OF OUR TOP RECOMMENDATIONS FOR THE SEASON AHEAD

SPARKLING

BOTTLE

- 2017 **Sugrue South Downs, The Trouble with Dreams, Brut** South Downs, England 80
A truly boutique sparkling wine, made by arguably the most talented winemaker in the UK right now, Dermot Sugrue. This exceptional wine puts the UK's stamp on traditional method sparkling wines.

WHITE

- 2020 **Viognier, 1753, Château de Campuget** Rhône, France 44
A Coal Shed staple. Giving Coindeau a run for its money, this gem of a wine is made by one of the nicest and most eccentric winemakers on the planet! Peaches and cream in a glass.
- 2019 **Château La Sauvageonne, Grand Vin Blanc, Gérard Bertrand** Languedoc, France 70
Burgundy meets the Mediterranean. Imagine a rich and buttery Meursault combined with luscious, ripe fruit flavours from the sun-kissed vines of France's South coast. A blend of seven grape varieties; this floral and textured wine is a must try for anyone who likes big flavours.
- 2020 **Gavi del Commune di Gavi, Rovereto, Michele Chiarlo** Piedmont, Italy 54
A must-have wine to complement grilled seafood, this Gavi is from one of Piedmont's most prestigious winemakers. Their vines are located along the hillside of 'Rovereto', an historic Cru of Gavi, with a unique microclimate thanks to the sea breezes and nearby Apennine Mountains. Italy's answer to Sancerre and Chabils in one glass - white flowers, golden apples and mineral tones.
- 2020 **Pandrosos, Foivos** Kefalonia, Greece 52
If you like the top aromatic wines of Alcace, this one is for you. Produced by one of the oldest wineries in Greece with 80 year old pre-phylloxera vines. Located just 800 metres from the sea gives a mouth-watering salinity and minerality to the ripe apple, pear and stone fruit flavours of this gem of a wine.
- 2019 **Chenin Blanc, The Lark, Olifantsberg** Bredekloof, South Africa 46
Winemaker Elizma Visser is one of South Africa's rising stars who is dedicated to producing authentic wines with a true sense of place. This is a Chenin Blanc you won't forget. Made with extended lees aging to give extra texture and richness, this is the perfect wine for meaty fish dishes.

RED

BOTTLE

- 2018 Saint-Joseph, Les Royes, Domaine Courbis** Rhône, France **78**
The garnish to your steak. A classic, Northern Rhône Syrah from a single amphitheatre-styled vineyard, which is made by one of the region's most celebrated producers. White pepper, spice & silk with intense black fruits and undertones of liquorice and chocolate. What more can we say?!
- 2015 Pomerol, Château du Domaine de l'Église** Bordeaux, France **134**
Located a stone's throw away from Château Petrus, Domaine de l'Église is the oldest estate on Pomerol's famous plateau. Combined with a good amount of bottle ageing, this wine comes with intense aromas of coffee, plum and raspberry. Fantastic to celebrate special occasions with.
- NV Primitivo / Negromaro, Collezione Cinquanta, San Marzano** Puglia, Italy **60**
A Coal Shed cult-classic; we've found this impossible to take off our list due to ferocious demand. Blended with the best red varieties of Puglia, this is a powerful, yet velvety wine, packed with prunes and red jam flavours. Made by blending reserve wines from multiple vintages, this wine was made to celebrate the 50th Anniversary of San Marzano. Cheers!
- 2018 Mencia, Vel'Uveyra, Ronsel do Sil** Galicia, Spain **44**
A midway point between quality Syrah and Pinot Noir. Wild berried fruit flavours combined with earthy, violet notes. Made by 'heroic viticulturists', picked from steep and dangerous mountain-sides in the Ribeiro Sacra. A lovely, crunchy wine to get your taste-buds flowing.
- 2018 Rioja, Vino de Pueblo, Leza L3Z4, Badiola** Rioja, Spain **69**
A Rioja which is not for the Rioja drinker. Imagine a hybrid between a high-end Burgundy and Rioja. Badiola refused to be pigeonholed by the traditional oak-ageing laws of the region, so instead de-classified their status in order to showcase the true characters of Tempranillo and the local terroir of the high-altitudes of Alevesa. Elegant and silky with dark cherries and herbaceous tones.
- 2019 Carmenère, Limited Edition, Viña Perez Cruz** Valle de Maipo, Chile **50**
The lost grape of Bordeaux. Chile has made this variety its staple grape and this is the flagship wine from boutique producer, Perez Cruz. The punchy blackberry and blackcurrant flavours, combined with minty, mocha notes make this wine an absolute match made in heaven for Coal Shed's meats.
- 2019 Grand Malbec, Piattelli Vineyards** Mendoza, Argentina **57**
From high in the Andes surrounding Salta, these grapes are picked at over 1,795 metres elevation. This wine is made from the best grapes of the harvest and matured in french oak barrels for 12 months. A rich and inky Malbec with blueberries, cedar and spice. Perfect for Autumn / Winter drinking.
- 2019 Pinot Noir, Sanford** California, USA **85**
For the wine geeks in the room, Sanford was the first stop on the tour in the infamous 'Sideways' movie. In 1971 Sanford were the first winery to cultivate vines in Santa Rita Hills and have been leaders ever since, producing truly exceptional examples of cool-climate Californian Pinot. Bright and crunchy red fruit flavours with gentle spice.

ORANGE WINE

White wines with prolonged maceration on skins give a distinctive colour and adds texture, weight & aromatics to the wine. Perfect with richer seafood offerings.

2020	Orange Gold, Gérard Bertrand	Languedoc-Roussillon, France			50
<p>The perfect introduction to the world of Orange wine. 'Orange Gold' is produced using an ancestral winemaking method. The grapes are fermented as whole clusters and maceration takes place with stalks and skins, resulting in a remarkable orange colour and subtle tannins. Blended from seven grape varieties, each variety brings its individual qualities to the blend: Chardonnay, Grenache Blanc and Viognier impart volume, while Marsanne, Mauzac and Muscat enrich the aromatic complexity of the wine.</p>					
2017	Assyrtiko, Clay, Gaia Wines	Santorini, Greece		🍷	70
<p>Assyrtiko, without question, produces some of the finest white wines in the world. Ancient vines grown on volcanic soil with extreme exposure to the Aegean Sea helps give these wines a unique character. Yiannis from Gaia has taken this a stage further by macerating on the skins for seven days, and then ageing in clay spheres for four years. This results in a richly textured orange wine of dried tropical fruit and honeycomb that still holds onto a dry mineral finish.</p>
